10. Applicant shows that all services for which compensation during this Application Period is requested have been actually provided on behalf of the Trustee and have been necessary for the proper and effective administration of this Bankruptcy Case and for the benefit of the Estate and its creditors.

11. Professionals of the Applicant employees have substantial experience and expertise in providing counsel in bankruptcy cases and to fiduciaries in such cases. Hourly rates of professionals of the Applicant are fair and reasonable and the same as the cost for such services other than in a bankruptcy case.

12. The compensation requested is allowable pursuant to the twelve factor test (the "**Johnson Factors**") set forth in *Johnson v. Georgia Highway Express, Inc.*, 488 F.2d 714, 717-19 (5th Cir. 1974), as modified and made applicable to bankruptcy cases by the Eleventh Circuit Court of Appeals in *Grant v. George Schumann Tire & Battery Co.*, 908 F.2d 874 (11th Cir. 1990). The Johnson Factors and their applicability in the Bankruptcy Case is as follows:

(d) Preclusion of Other Employment Due to Acceptance of the Cases: The Sewell Firm devoted time and resources to this Bankruptcy Case to the possible preclusion of involvement in other matters.

(e) Customary Fees for the Type of Services Rendered: The Sewell Firm respectfully represents that the fees requested herein are within the range of customary fees for the type of services rendered and are based upon the hours actually spent and multiplied by the normal billing rates for work of this nature.

(f) Whether the Fee is Fixed or Contingent: Pursuant to section 330(a) of the Bankruptcy Code, the fee of the Sewell Firm is subject to Court approval, and is primarily based upon hourly rates and does not involve any fixed or flat fees. Compensation is “contingent” only in the sense that there are risks of non-allowance or non-payment.

(g) Time Limitations Imposed by the Client or Other Circumstances: Several of the matters on which the Sewell Firm represented the Trustee were time sensitive, subject to deadlines, or required the Sewell Firm to act quickly.

(h) The Amount Involved and Results Obtained: The Sewell Firm shows that the Trustee, with the assistance of all professionals involved, has achieved a successful result in this Bankruptcy Case. The fees requested herein are proportional to the dollar amounts of the issues in this Bankruptcy Case and the results obtained for such services.

(i) The Experience, Reputation, and Ability of the Professional: Professionals at the Sewell Firm have extensive experience in bankruptcy matters.

(j) Undesirability of the Case: This factor is inapplicable to the present case.

Based on the foregoing, the Sewell Firm submits that the Services rendered to the Trustee, for which compensation is sought herein, were necessary and beneficial to the Trustee, the Estate and parties in interest. The Sewell Firm further submits that the compensation requested herein is reasonable in light of the nature, extent and value of such services to the Trustee, the Estate and all parties in interest. Accordingly, Applicant seeks final allowance of \$51,640 as compensation for the period covered by this Application. Applicant shows that compensation in such amount is reasonable compensation based on the nature, the extent, and the value of services rendered, the time spent to provide such services, and the cost of comparable services other than in a bankruptcy case. Applicant further states that the amounts awarded herein should be treated as an administrative expense claims of the Chapter 7 Estate of the Debtor.

REQUEST FOR REIMBURSEMENT OF EXPENSES

14. As set forth at the end of Exhibit "A", the Sewell Firm has incurred \$673.06 of expenses in providing professional services to the Debtors during the Application Period.

15. In connection with the reimbursement of expenses, it is the Sewell Firm's practice to charge its clients in all areas of practice for expenses, other than fixed and routine overhead expenses, incurred in connection with representing its clients. The expenses for which reimbursement is sought in this matter consist of filing fees and copying and postage charges related to the service of pleadings.

16. In accordance with section 330 of the Bankruptcy Code, the Sewell Firm seeks reimbursement only for the actual cost of such expenses to Sewell Firm. The Sewell Firm submits that the expenses incurred during the Application Period were customary and necessary and that reimbursement should be awarded to the Sewell Firm.

WHEREFORE, Applicant respectfully prays that the Court grant the Application pursuant to an order, substantially in the form as the proposed order attached as **Exhibit "C"** hereto, and that:

- a. Applicant be allowed and awarded on a final basis compensation in the amount of \$51,640 as and for the reasonable value of services rendered in connection with its retention as counsel for the Chapter 7 Trustee for the Application Period;
- b. Applicant be allowed and awarded on a final basis reimbursement of expenses in the amount of \$673.06;
- c. the Court authorize payment of amounts allowed as deemed appropriate and equitable by the Court from the fund available in the bankruptcy estate; and
- d. the Court grant such other and further relief as may be just and proper.

Respectfully submitted,
